Sarnia Guiton, P.O. Box 1866, Sechelt, BC V0N 3A0, Canada

Travel Medical Insurance – is mandatory for all participants on our tours/trips. You must declare any pre-existing medical conditions to your insurers and ensure you receive written confirmation that any pre-existing medical conditions are fully insured. You are required to have emergency medical evacuation plus medical expenses. It is also highly recommended that you have trip cancellation insurance due to Havila Voyages policies.

Insurance Documentation – A copy of your insurance policy detailing policy validity dates, cover and names of those insured, must be carried with you and shown at Havila Voyages check in.

Passports – Most nationalities are required to have at least 6 months validity in their passport (from the time of returning home) in order to enter Norway. Passports must have been issued within the last 10 years.

Visas – are not necessary for USA, UK, Canadian, and Schengen member nationals. Other nationals need to check online. The rulings pertaining to the European Travel Information and Authorization System (ETIAS) when active, are complex and differ according to your nationality, and should be explored online.

Health, fitness and ability – It is imperative for everyone's sake that you are fit and healthy enough to be able to participate in the voyage. No vaccinations are required.

Names – Airlines require first and surnames in order to issue flight tickets and may refuse boarding to any that do not exactly match up with the relevant passport. Please ensure that all names provided are complete and correct (no nicknames or abbreviations) and exactly as per the passport being used for this travel.

Booking conditions – Payments made will be held until the minimum number of 12 participants for the voyage is confirmed. If the voyage must be cancelled for lack of interest, full refunds will be made, including the deposit. No refund can be made for pre-paid flights. Be sure your travel insurance covers this possibility.

Photography – Sophia Services reserves the right to use photos of participants for promotional purposes.
